

## CSL Match Play

Sept – Nov 2009

### Rules of Match Play:

1. First team to win 6 games wins the match. If the time expires in a session the player/team that is ahead in games/tiebreaker points wins the match.
2. If the set score is tied 5-5 games players will proceed to a 12 point tiebreaker. First person/team to win 7 points wins the match. Players need to win by two points in the tiebreaker to win.
3. There is NO 10 minute warning this season.
4. When time is called, you finish that point or the next point. If the game is not finished after that point, the game score up to that point is FINAL. For example, if it is 30-30 and you play one more point to 40-30, that game does not count. If the score is 40-30 at time and the leading team wins the last point to win that game, that game counts in the score. Tie will count as ½ point for each team.
5. Games in the league are no-add scoring. First player to win 4 points win the game.
6. If the score is tied 3-3 points (40—40) than the player/team that is receiving serve has the choice of what side they would like to receive the ball (Ad or Deuce/left or right side of the court). The one exception to this rule is men cannot receive a woman's serve in mix doubles. The receiving team CAN choose to have their woman receive a man's serve in mixed doubles.
7. Each match is worth one point.
8. Winners of each match are responsible for reporting your score to the "home" team captain. Failing to do so will be an automatic forfeit of the match to your opponent.
9. "Home" team will bring 3 cans of balls for each day's matches.
10. All players **must** be present at 4 of 8 regular and clinic to be eligible to play during playoffs/finals.
11. Roster is frozen on **October 4, 2009**.
